

A Look Back at 2007

As 2008 is rapidly approaching, I would like to take the time to thank all those volunteers, facilities and members who helped make 2007 such an enjoyable year. I would also like to thank my staff for pulling together and having another successful year.

There are several highlights that immediately come to mind when I look back at the past year. Just to name a few:

- Another great Water Safety Conference hosted by the Moose Jaw crew.
- The re-emergence of the Provincial Lifeguard competition and the youthful exuberance the competitors brought to the conference.
- The emotion that is felt at our Investiture Ceremony and the pride displayed by the award winners.
- The stories of all those who participated in Drowning Prevention Week. There were definitely some creative ideas out there! Keep up the good work next year.

Those are just a few of the memories that will make 2007 a very special year. We look forward to building on our successes in 2008 and for the years to come.

Congratulations again to our volunteer award winners!

Office Holiday Hours

Please be aware that the office will be closed for the holidays from December 24th to January 2nd. Also of note, the last day that any orders will be received will be December 19th.

Conference Reminder

Just a reminder to mark March 14th & 15th down on your calendar as Yorkton will be hosting the Water Safety Conference & AGM and Provincial Lifeguard Competition. Look for information packages to be coming to you in January.

Course Listings

In an addition to Lifelines, we have included a list of courses that facilities have submitted to be advertised. This is a feature we hope to add regularly to Lifelines. Should you wish to promote your courses, please submit your information prior to the first day of every month. We will do our best to ensure your course is added to the listing.

Happy Holidays!
From the Staff at the Lifesaving Society.
