Open Water Swimming Lessons Instructors

Lac Pelletier Regional Park (the Park) is looking for two (2) instructors to teach Open Water Swimming Lessons from July 15 to July 19 and July 22 to July 27, 2024.

Open water swimming lessons at the Park is a right of passage for many of the children and grandchildren of the first registrants. Campers and families still schedule their holidays so that their children can participate in open water swimming lessons and continue the family tradition of learning to swim at Lac Pelletier.

Duties and Responsibilities

- Provide assistance to the coordinating and registration staff in course scheduling, selection and review of registrations;
- Provide a safe environment for participants;
- Be attentive to concerns of participants and parents; and
- Provide excellent service delivery to all participants

Qualifications

- Minimum two years of teaching experience;
- National LifeGuard Certificate, Swim Instructor certification and Lifesaving CPR C and AED certification; and National Lifeguard Award, Lifesaving Swim for Life Instructor, and Standard First Aid CPR C with AED
- Excellent oral and written communication skills

The Park provides a competitive salary and benefit package to the successful candidates:

- Salary based on experience - \$22.00 (35 hours per week); and
- Travel/meals allowance available \$300.00/week; or
- Instructor shared "glamping" Micro Chalet accommodation
- A memorable summer experience!

Please send your resume to:
